FOREWORD

The SSMFL qualifying rounds culminate this afternoon and despite an intense struggle to establish an order of merit amongst the ten sides in recent weeks each side's final resting place is not likely to be known till five o'clock.

Only one game separates the first three sides, there is another between fourth and fifth and another between seventh and eleventh.

With the final round draw being as it is, the top three teams — Maddington, Kelmescott and Kenwick — look capable of determining their own destinies today. The same can be said for Armadale in their battle to stay in seventh place.

But a converse situation applies to Thornlie and Mandurah, both of whom are likely to have their positions decided for them.

Gosnells are only one game ahead of Canning in fourth place but the "fifth" hasn't really eventuated because of the Tiger's inferior percentage.

Canning would have to win by approximately 3 goals today to upset the present composition of the top four — an almost impossible task. But their contribution to the competition, particularly in the latter half of the season, has been outstanding and they can pack their bags tonight with a degree of satisfaction.

The premiership race looks to be a battle between three sides.

The tremendous improvement shown by Kelmescott and Kenwick this season (Neither side made the four last year) and Maddington's apparent loss of form make it one of the most open series for many years. It would require only Gosnells to find their best form again to produce a classic finals round.

TODAY'S GAMES:

Canning will be determined to show they should be in the finals and have the ability to do so by defeating Gosnells at WYON OVAL.

They maybe troubled by Gosnells' pace but don't lack much in this department and will have a distinct serial advantage. This should be the best game of the round and is so important, psychologically, as far as Gosnells are concerned.

If Maddington can't stir their apathy today, Kwinana have the opportunity to record the season's biggest upset at MADDINGTON OVAL. However, it is unlikely that the Bulls star-studded line-up can all play as badly as they did last week and this is a good opportunity to steady themselves.

Kelmescott would only need to reproduce a fraction of last week's devastating form to steam-roll Thornlie at THORNIE OVAL. They proved last Sunday that they have the big-man power to match the best in the competition, which will nullify Thornlie's usual strength.

Kenwick will be untroubled to defeat Kalamunda at MILLS PARK. It has been a disappointing season for the Kougars but they can expect little sympathy from the Wicks today. If nothing else, perhaps they can learn from a more accomplished opponent.

Armadale should complete the season with another win over Mandurah at MANDURAH OVAL. There appears to be a light at the end of the tunnel for the Demons and a win today would lift them above the "also-rans" in this season's competition.

MIGHTY ROYALS

Allowing Mandurah to score a total of only six goals for both sides against 53 goals by Kenwick virtually tells the outcome of last Sunday's games. Both Kenwick sides proved they are top contenders for the 1976 Flags with a moral boosting win. Although we didn't expect to receive a great deal of opposition all players made certain by putting together good sustained efforts.

LEAGUE: In a match winning first quarter Kenwick put paid to Mandurah's any chance of hoping for a win. Taking all before them the Royals completely ripped the Seasiders defence to pieces with a mammoth thirteen goal burst. For the remaining quarters the Royals only kicked another fifteen goals, but under the wet conditions and the continual scrapping by the opposition their overall performance was credible. Thirteen players contributed goals to our 159 point win, which all goes well for the finals. To pick out best players would be hard as the Royals won in almost every position, but those who stood out from the rest were — Kim Lofts (whether in the ruck or kicking goals), Geoff Truscott (Five goals), Gary Worthington (Burrowed into the packs all day) and a grand effort by all back-line players who gave a first class exhibition of team work and backing-up.

SECONDS: In a similar performance the Seconds finally put together a grand final display of football and over ran the opposition by 139 points. Their use of the ball could have been more direct, but it was certainly an improvement on previous games. Their kicking under the slippery conditions was of high class, particularly for goals were Wayne Hill and Mike Strang put together some really fine efforts. Again picking players was difficult as all contributed during the four quarters, the backline lead by Mick Cornwall, John Oliver and Tom Quinn let very little pass whilst the centre-line had a more even tussle. With one more game before the finals it is hoped the sides can be settled into a well disciplined team.

GENERAL: A special thanks to all who have supported Kenwick this year and it is hoped your support will strengthen during the finals. To Mick Walker we offer our thanks for your fine contributions during the year and I know all players will benefit from your generosity.

O.D.

TALK OF BULL

Excuses could not be offered for our league side's defeat last week. Kelmscott leapt from the barrier to an early lead and then reigned supreme throughout. Full credit must go to them.

Good players for us were hard to find but the outstanding performer was Dennis Cometti, who never stopped trying, it is a pity some of the players did not attempt to emulate his efforts.

Lindsay Reynolds, Greg Sherrington, Ian Saunders, Jim Butler and Rod Mohr were others who never capitulated. Nothing went right for Ian but his determination was something to see. Eddie Donnes with his spoiling tactics proved Jumbo's Master in the air but the Bulls erred by not delivering the ball to Jake in the correct manner — low and fast!!

The tables were reversed in the Seconds match with the Bulls scoring a runaway victory. A very tight defence provided the forwards with unlimited opportunities, Vince Slavin dominated the centre position and Dudsie Reynolds, Alan Bank and Julian Slavin were others to stand out.

A big factor in the seconds side's win was the fierce desire to take front position and the same facet was perhaps the league's main shortcoming.

Vice President Ross May is giving free lessons this week on "How to use a Chain Saw" anyone interested, see Ross. Actually Ross had an accident last weekend, we trust that he has recovered fully.

Members are reminded of the Players Cabaret on the 20th August. The large raffle will also be drawn; please get those books returned.

The weekend before last saw our President, Bevan Slavin and Barry Rayment participating in the Avon Descent. Each year they progress further and each time they end up a bit sorer than the time before. Keep it up, fellas!

We welcome Kwinana this week to stay behind and enjoy our hospitality.

THE HAWKS

TIGER TALES

Today we do battle with Gosnells in a match that will determine the fate of the Tigers for the 1976 season. While official figures were not available at the time of writing, our percentage must have received a tremendous boost as a result of our mammoth 32 goal victory over Kalamunda last Sunday. As a result of this and Gosnells rather low winning score against Kwinana, an educated guess would be that a victory in the region of 16 goals would be necessary to deplace Gosnells from the four. An unenviable position and one we can only blame ourselves for, but never the less quite within our capabilities. A record crowd is expected to witness the competitions "fifth final" today and our supporters are asked to lend their vocal support to our sides effort — they can be guaranteed it will be a maximum one.

Bob Barton unfortunately will not play in today's game as a result of receiving a broken thumb early in the game last week. His replacement will no doubt be Murray Nish, whose performance when coming on the ground against Kalamunda was first class.

The "Sports Review Footballer of the Year" voting produced an interesting talking point last week, particularly amongst Canning Supporters. As a result of "late and amended voting we find Craig Nock, who appeared to have an unassailable lead now languishing several votes behind in third position. The two leaders have suddenly been attributed with better than 12 votes to their new positions. No doubt they have earned them, as either would be worthy winners, but one feels that when such an award is conducted through the media, the people responsible should ensure a true and accurate weekly record. Without this, the award becomes a joke!

Congratulations to all players in both our league and reserves teams who registered a double victory against Kwinana last Sunday. The league players showed a noticeable improvement in their attitude and endeavour of play resisting every challenge of the opposition in the true tradition of the Mighty Hawks. Best Players for the league were Garry Green playing at fullback, Don Kitson on the wing and Peter Dougan on the half back flank.

The Reserve game was another hard fought match and a well deserved victory and in the game Best Players were Lawrie Wenn, centre half forward, Gary Hamblestone playing centre, Peter Worden ruckman and Brian Lester on a halfback flank. Trainers are thrilled to report that no injuries have been reported and that we will be a full strength to give Canning a shake up today.

Our under 18's also registered a victory against Thornlie last week to keep in the top four and will meet Kelmscott in the first semi at Maddington today. Congratulations fellas best of luck in today's most important game.

SOCIAL: The Under 18's Wind-up dinner and presentation of trophies will be held on September 18 (Saturday) at the club rooms. We request the attendance of all parents and club members to support the function. Tickets for \$5 a double will provide buffet supper and entertainment by a modern band. There will be complete bar service.

The Club's annual Wind-up and presentation of trophies will be held at Cannington Greyhound Raceway on October 15. Tickets for \$20 a double will include Cocktails, 3 course dinner, refreshments and entertainment. A board has been placed in the clubrooms to reserve your table or party at this function. Tickets are available from Frank Sochacki, Keith Davies or Colin Reynolds. Ask your friends and neighbours along to what will be a great night out for a very reasonable outlay. We look forward to your attendance.

THE BULLDOGS

With winning combinations on all lines Kelmscott gave a lethargic Maddington a lesson in determination in toppling the league leaders by 45 points, thus consolidating second spot and stopping the gush of "bull-talk" from the critics who didn't give us any chance.

The Bulldogs jumped Maddington right from the start and opened up a lead of 5 goals by the first change. Eddy Donnes was virtually impassable at full-back and up forward Maddington could not cope with Paul Hansen who capitalized on each opportunity.

In midfield Paul Vasoli was in sparkling form and his ability to consistently clear the ball from the centre with accurate foot passes carved up the Bulls defence and opened the avenue to goals. Winger, Phil Farmer, put together another four quarters of flawless football. Phil's ability and determination to run harder and longer left his opponent floundering.

In the reserves Maddington won convincingly against a Kelmscott side which showed early promise but then fell into a hole. Today's game against Thornlie is a must if the reserves want any chance in the finals. Best players for the reserves were Tony Hildebrandt and Bill Middleton.

THE KNIGHTS NOTES

Today we come up against Maddington in our last game for the season. After encouraging performances in the last two weeks — Let's see if we can prove we are the best side out of the finals and beat the "Bulls" on their home ground.

Last week against Gosnells we had many hard triers in lack lustre games, but were unable to beat our opposite numbers. The League side were never out of the game until the last four minutes, but didn't have the ability to finish off. Gosnells ran on much harder and longer, backed up at all costs and finished on top 13.15 to 8.9. It is this style of play we must produce to give Maddington a run for their money today. Best players in the League were Ron De Boer (Rucked tirelessly against overwhelming odds), G. Cucrov (roved gamely), K. Riley (a stumbling block at full-back) and R. Ridley (once again marked strongly).

The seconds lost their chance of playing in the finals when they were beaten 10.15 to 8.9. The game was a hard-fought affair but the players refused to give in until the final siren sounded. To finish the season in fifth spot was a good effort as we only posted three winners in the first round. Best players were B. Butler (Thrashed his taller opponent), Ted Riseberry (fought hard against a big ruck), M. Griffin (ran tirelessly all day) and S. Smith (played well when shifted to centre half back).

DEMONS DIGEST

'NOT FOR NIX - IN '76!'

In our last game for the season, we travel down to Mandurah F.C. the Seasideers. Another double win today fellas will round the season off on a really high note.

At Gwynne Park last week, the league side won a game against Thornlie that had the spectators on their toes in the last quarter. After being left at the post in the first, the Demons came back in the second, stayed neck and neck in the third, and with about ten minutes to go in the fourth got their noses in front and never looked back. The second half was a great team effort lead in fine style by Charlie Tenardi, Billy Griffiths, Gary Greer and Tanglefoot Connell. This game was a good one for Killer (Abdulla) Davey to remember for his 150th league appearance.

The Reserves completed a fine double for the Demons with a convincing win, by almost six goals in fact. They were first out of the gates and were never headed. The highlight of the game was Rascal Pascall's goalkicking performance. He must have been knocking back some of his Dad's juice, for they reckon you "Go well with Shell" don't they? The Doc's game was straight out of Medibank, they didn't know which way he was going! Rowie played like a souped-up Sherman tank, it would have taken a bazooka to stop him. Seriously though, this was a great team effort and deserves full praise to all players.

The Under 18's beat Kelmscott in convincing style at Gwynne Park last week, with the top performances coming from Ivan Vudrag (no guesses) Veg Fulgrabe, Rod Nairn and Hendo. Today they play in the second semi, make sure you let everyone there know where the best young footballers come from fellas, — armadale!

To finish off the season, let me remind you all of our Wind-up on 1st October, see Sarge quick, for it's first come first served only! Our A.G.M. is on 2nd November at Gwynne Park 8.00 p.m. This is not only pay-night, but the chance to elect, or be elected to run this club. A club is as good as it's committee and you members make the choice, use the vote sensibly, this is your club, and it will be your contribution that will be the yardstick of the club's growth as a whole. Think about it.

Next year will be the 65th anniversary of this club, let's make it a real anniversary year in every way possible. Until next year folks, I'll say au revoir.

PEEGEE.

IN THE LIONS LAIR

A pleasant Sunday drive to scenic Armadale last week, but a not so pleasant result on the score board.

The reserves team was well beaten on a soggy ground, with better performances by Andy Howitt and Paul, others hard to pick out in the rain.

One of the longest quarters in history was played in the league game, closely fought except for a lapse in the second term, which cost us the game. Good performances by Solid Alan Osboine, Greg Taylor and Neil Corker up from the 18's. Lets all take a good constructive look at these Lions and build three strong roaring sides for the future. Hope Harry Z. fighting fit again after leaving the ground injured.

Worth a mention was the arrival of Mrs. B. decked in the latest fashion riding gear and given a warm reception by our cat calling guys. Great to see a past legionaire Alf Lewis back from the bush ready for his role as Father C. on Dec. 19th.

Back at camp, on the social scene things are moving along, with a tremendous show last week run by the Junior body highlighted by the brilliant dance display (in sneakers) of Fred Miller and a super group.

Next Cabaret Saturday August 21st to send off the season. Tickets from club or Telephone 96 1008 for enquiries.

A lot happening, check it out now.

KEEP ROARING.

MRS LEO.

KALAMUNDA

Kenwick our last match and our final chance this season. Rather a big order for us the under dogs, remember its not the size but the fight in the dog that counts.

Wednesday 18th 8.00 p.m. at the Kewdale Hotel for counting of best player, everyone please attend.

Have you booked for August 28th at Lesmurdie Hall, you should know what for — "no"? Annual Wind-up night see Graham Watson today for tickets!

Ken Smith a personal note of thanks for your coaching efforts this year. We hope you change your mind on taking the helm next season. Without doubt if every player had your attitude to our great game this club would be feared in the South Suburban League.

Geoff Brown well done, it is not an easy task to come up with a smile each week but it was there.

To all players and supporters, the committee has started recruiting — see you in 1977. Thanks to all for the season's efforts.
